Re: Staker Parson Companies Keigley Quarry Mine Plan Update request for extension.

Dear Ms. Abate:

Staker & Parson Companies is asking for an extension to submit to The Utah Division of Oil, Gas, and Mining an updated mining plan for the Staker Parson Companies Keigley Quarry. We are requesting the date of October 31, 2013 as the new submittal date.

We would also like to come to your office and meet regarding what is required for the updated mining plan. July 31, 2013, at 9:00am works well for our side. Please let me know if this date and time work for you.

Please contact me with any questions you may have.

Sincerely,

Staker & Parson Companies
